

Guide to General Assembly Hashtags

The many ways to talk about the EGU General Assembly on Twitter

The conference hashtag: #EGU2014

[#EGU2014](#) is the big one to follow throughout the Assembly, keeping you up-to-date with what's happening at the Assembly, with news from the EGU, conference participants and those joining in the discussion remotely.

Programme group hashtags

This year, each of the programme groups has its own hashtag, just add the acronym to #EGU14, so for Ocean Sciences (OS), the hashtag would be #EGU14OS. Here's the full list:
