

Policy-related Sessions at the General Assembly

Union Wide

Town Hall Meetings (TM)

- The Science of Climate Change Communication: Engaging the Public, Policymakers, and Journalists <http://meetingorganizer.copernicus.org/EGU2016/session/22297>
- Soil contributions to the UN-sustainable development goals <http://meetingorganizer.copernicus.org/EGU2016/session/22147>

Education Outreach Symposiums (EOS)

- Geoethics: theoretical and practical aspects from research integrity to relationships between geosciences and society <http://meetingorganizer.copernicus.org/EGU2016/session/20171>
- Geoscience for Society: Collaborative research management and Communications Strategy <http://meetingorganizer.copernicus.org/EGU2016/session/21699>

Short Courses (SC)

- Working at the science policy interface <http://meetingorganizer.copernicus.org/EGU2016/session/22323>

Great Debates (GD)

- Cities adaptation and mitigation to Climate Change <http://meetingorganizer.copernicus.org/EGU2016/session/21708>
- Sustainable development of the Arctic <http://meetingorganizer.copernicus.org/EGU2016/session/21709>
- Plan it Earth: is there enough resource for all? Is it just a matter of planning for the future?
- <http://meetingorganizer.copernicus.org/EGU2016/session/21696>
- Is global economic growth compatible with a habitable climate?
- <http://meetingorganizer.copernicus.org/EGU2016/session/21937>

Divisions

Biogeosciences (BG)

- Impacts of land-use/land-cover change and disturbances on carbon cycling: assessing management and policy effects and implications across countries
<http://meetingorganizer.copernicus.org/EGU2016/session/21089>

Earth and Space Science Informatics (ESSI)

- Open Access to Research Data and Public Sector Information towards Open Science
<http://meetingorganizer.copernicus.org/EGU2016/session/20148>

Energy Resources & the Environment (ERE)

- Sustainable biomass for raw materials, energy and GHG mitigation
<http://meetingorganizer.copernicus.org/EGU2016/session/20127>
- Energy and environmental system interactions – Policy and modelling
<http://meetingorganizer.copernicus.org/EGU2016/session/20121>
- Energy, Resources & the Environment
<http://meetingorganizer.copernicus.org/EGU2016/session/20119>

Hydrological Sciences (HS)

- Water Resources Management and Policy in a Changing World (including Arne Richter Award for Outstanding Young Scientists Lecture)
<http://meetingorganizer.copernicus.org/EGU2016/session/20252>
- Hydrology & Society: Transdisciplinary approaches to hydrology and water resources management <http://meetingorganizer.copernicus.org/EGU2016/session/20251>
- Meeting the water needs of a growing global population: groundwater contamination, monitoring, mitigation and adaptation in developing countries (GSL/GSA sponsored session) <http://meetingorganizer.copernicus.org/EGU2016/session/20756>
- Micropollutants, pathogens and nutrients in the soil-groundwater-river continuum: advances in modeling and monitoring
<http://meetingorganizer.copernicus.org/EGU2016/session/20231>
- Catchment Science and Management: Nature-Based Solutions for rural and urban environments <http://meetingorganizer.copernicus.org/EGU2016/session/20247>
- Advances in socio-hydrology
<http://meetingorganizer.copernicus.org/EGU2016/session/21292>
- Water footprint, virtual water and water use efficiency as analytical tools for water and food security <http://meetingorganizer.copernicus.org/EGU2016/session/21295>

Natural Hazards (NH)

- Costs of Natural Hazards
<http://meetingorganizer.copernicus.org/EGU2016/session/20328>
- Natural Hazards Education, Communications and Science-Policy-Practice Interface (SMP)
<http://meetingorganizer.copernicus.org/EGU2016/session/20329>
- Flood risk and uncertainty
<http://meetingorganizer.copernicus.org/EGU2016/session/20296>
- Hazard Risk Management in Agriculture and Agroecosystems
<http://meetingorganizer.copernicus.org/EGU2016/session/20298>
- The European contribution to the GEO Supersite initiative
<http://meetingorganizer.copernicus.org/EGU2016/session/20305>
- Resilience and vulnerability assessments in natural hazards and risk analysis
<http://meetingorganizer.copernicus.org/EGU2016/session/20331>
- Monitoring and modelling of dangerous phenomena, and innovative techniques for hazard evaluation and risk mitigation
<http://meetingorganizer.copernicus.org/EGU2016/session/20334>
- Global and continental scale risk assessment for natural hazards: methods and practice
<http://meetingorganizer.copernicus.org/EGU2016/session/20335>

Ocean Sciences (OS)

- Ocean biogeochemistry: novel approaches and synthesis
<http://meetingorganizer.copernicus.org/EGU2016/session/20366>

Soil System Sciences (SSS)

- Soil Erosion, Land Use and Climate Change: mapping, measuring, modelling, and societal challenges <http://meetingorganizer.copernicus.org/EGU2016/session/20781>
- Soil mapping and process modelling for sustainability
<http://meetingorganizer.copernicus.org/EGU2016/session/20485>
- Restoration and rehabilitation of degraded lands in arid, semi-arid and Mediterranean environments <http://meetingorganizer.copernicus.org/EGU2016/session/20430>
